“Dollhouse Dubai Launches Niche Beauty House for Women of the UAE”

Dollhouse Dubai welcomes the UAE’s Glamourati’s with some of Dubai’s Best Beauty Treatments

Dubai, United Arab Emirates- October 7th, 2012.

The Dollhouse, “Your House of Glamour” and one of Dubai’s newest, most glamorous full-service beauty salons has just officially opened doors in The Dubai Ladies Club in Jumeirah! Founded by Iraqi/American business woman and socialite Mona Kattan and Abu Dhabi entrepreneur and founder of Eventra Events Basma Al Fahim, this beauty-obsessed powerhouse has it’s aim to set salon standards in Dubai to a new level—one that can be globally recognized.

Nick-named as every “Glamourati’s favorite new hot-spot”, The Dollhouse has already taken a lead in becoming a preferred salon by some of Dubai’s biggest socialites and industry influencers. The Dollhouse provides one of the most advance specializations in Nail Art by sporting the largest Caviar Bar in Dubai, Velvet Nails, MinX, and a wide array of Swarovski crystals and embellishments.

Basma Al Fahim & Mona Kattan

“I really wanted women to walk into a space and feel more glamorous just by entering,” Kattan says about her extremely lavish detail and purple and pink color-scheme. With eccentric style and decadent chandeliers, the salon has been dubbed “the most beautiful salon in Dubai”. Covering all your needs in beauty with a premiere beauty section, perfect for purchasing an extensive amount of products, and a library of beauty books that cover everything from celebrity beauty secrets to makeup artist rules of the trade, the Dollhouse Dubai has truly found it’s way of to the heart of women in the UAE

Although the salon specializes in one-of-a-kind nail art and luxury hair treatments and extensions, they provide a wide range of services including eyelash extensions, massage, facials, luxury Italian spray tanning, hair styling and up-dos, and hair removal. “We really want to create a new experience for women when they enter, one they haven’t experienced before, our aim is for every client to look and feel glamorous and indulge with a truly memorable and personal experience” says Al Fahim, “we aim to set salon standards higher in the UAE and we will”.

THE DOLLHOUSE

“Women have received it really well and we’re happy that our commitment to excellence and dedication to creativity makes them feel at home” Al Fahim explains about their exclusive VIP clientele, “it’s common to find women here staying all day,” she explains about their iPad docks at each hair station and video streaming offering women the option to surf the web or watch their favorite television show with over 10,000 TV shows and movies. “Creating a balance between comfort, great service, and beautiful treatments, we’ve really aimed to bring women the absolute best salon experience they can find,” says Kattan.
